

**Douglas Goldhirsch, President,
Keepers of Burnt Island Light Board of Directors**

Doug became involved with Keepers of Burnt Island Light subsequent to his 21 years career as a boat yard owner and boat builder. His interest in Keepers of Burnt Island Light and its mission of experiential education stems from his earlier work with the Hurricane Island Outward Bound School where he worked for over 8 years before taking over his Boatyard, Southport Island Marine. Doug also served on the Board of the Boothbay Region Chamber of Commerce. He and his wife Sharon have been Boothbay Residents for 25 years and have a 20-year-old son and two awesome mini-goldendoodle dogs! Sharon and Doug own and operate Boothbay Harbors award winning yoga studio, Crow Point Yoga!
